E X P E R I E N C E

Data Entry Clerk Robi's Flava | 1 Market St, Old Harbour, St. Catherine |
January 2023 - Current

As a Data Entry Clerk for sales transactions, I focused on accurately inputting and managing Robi's Flava's financial data. My responsibilities included entering data into Excel, maintaining logs, verifying accuracy against source documents, organizing files, and creating reports.

Service Desk Summer Intern Sagicor Bank Jamaica Ltd. | 17 Dominica Dr, Kingston 5 Kingston|
May 27, 2024 – June 21, 2024

As an IT Service Desk Intern at Sagicor Group Jamaica, I was responsible for providing technical support and assistance to employees from all departments, ensuring smooth operation of their devices and software. My key responsibilities included:

Managed service desk tickets, configured devices, and provided first-level technical support for hardware, software, and network issues. Ensured accurate records and efficient ticket resolution on the IT Group dashboard. I was the first form of contact for the IT department.

Junior IT and Accounting Consultant WSTBZ Consulting Limited |
wstbzconsulting.com|
July 8, 2024 – August 3, 2024

In my field I analyze the digital and physical accounting information of the Small Business Association of Jamaica using Xero accounting software and consulting on WSTBZ's website. Additionally, I specialize in streamlining financial processes and implementing technology solutions to enhance data accuracy and efficiency for BAJ and transformed admin activities into streamlined simple processes with AI tools like N8N
